

**2024 ANNUAL TRAINING
AND EDUCATION CONFERENCE**

JUNE 10-13, 2024

CHARLESTON, SOUTH CAROLINA

**HYATT PLACE + HYATT HOUSE CHARLESTON –
HISTORIC DISTRICT**

About The Conference

The North American Gaming Regulators Association (NAGRA) invites all Trade Affiliate members and gaming industry professionals to take a special role in the organization's Annual Training and Education Conference for 2023.

NAGRA recognizes that regulators have a unique opportunity to learn about emerging technologies, types of gaming, and industry services from the many firms that support the gaming industry.

Our members are interested in seeing and learning firsthand about your product and services. We encourage you to review the display and sponsorship opportunities detailed in this brochure and to review the conference agenda to see the high-caliber training programming that is central to this conference.

We have designed these display and sponsorship opportunities with high respect for the rules that regulators need to follow. For example, that is why we do not have specific refreshment breaks or lunches sponsored by any one particular firm, as it might preclude a regulator from participating in that activity if they have any kind of regulatory relationship with that firm.

The opportunities were designed specifically to:

1. Give trade affiliate members and other firms greater visibility in front of the regulatory community.
2. Help educate regulators about emerging and current gaming technologies.
3. Showcase your company's specific technology to upper-level regulators in North America.
4. Support NAGRA in continuing to offer an annual conference with high-quality training and education opportunities for regulators.

About

The North American Gaming Regulators Association (NAGRA) brings together agencies that regulate gaming activities and provides them a forum for the mutual exchange of regulatory information and techniques. Collecting and disseminating regulatory and enforcement information, procedures, and experiences from all jurisdictions provides ongoing gaming education and training for all members.

BENEFITS TO YOUR ORGANIZATION

To execute a successful conference, we need dedication and support from partner organizations. Becoming a sponsor or exhibitor will gain exposure for your organization, demonstrate your commitment to the industry's efforts, enhance your visibility among individuals in the gaming industry and give you the opportunity to sell your message or product effectively. This conference offers your organization convenient and effective ways to get your product and service noticed by all attendees. The benefits derived from sponsorship/exhibiting during the meeting are unique because targeting a conference audience can be selective and direct, allowing you to sell your message or product effectively.

A variety of benefits include your organization description and logo in the conference Program, materials, signage, and an internet link from the conference website to your home page.
